COVER LETTER

To,
Executive Officer,
The Institution of Engineers, Bangladesh.
Ramna, Dhaka-1000

Subject: Application for the post of IT Officer.

Dear Sir,

I am submitting my resume for the position of IT Officer. With a Diploma Engineering degree in Electronics Engineering, 2.5 years of valuable experience, numerous voluntary certifications and an unwavering team spirit, I believe that I would be an asset to The Institution of Engineers, Bangladesh. My professional experience includes monitoring and recording system performance, troubleshooting various problems, maintaining several organization's IT systems for a consistent level of reliability, working closely with my colleagues, researching new technology and successfully implementing that technology in my organization's IT network and systems. The following represent some highlights of my experience and qualifications. Progressed through consecutive positions as an IT Engineer. Successfully devised and implemented dozens of IT solutions. Identified several previously undetected network problems. Installed new hardware and software for various organizations.

I hope to be able to bring my passion for technology, can-do attitude and in-depth technical knowledge to the The Institution of Engineers, Bangladesh team.

I appreciate your time and consideration, and I look forward to discussing this position with you further.

Warmly,
Akter Ahsan
